

## **NxStageUsers 1st Annual Meet Up & Conference**

**October 10-15, 2010**

**Conference  
October 11 & 12**

Welcome dialyzors, partners, nephrologists and other renal professionals. Come meet other dialyzors and care partners. Share your hopes and stories. Learn from each other. Have fun in the midst of family and friends. Don't miss this great opportunity.

Scheduled speakers include prominent nephrologists, dialyzors and care partners. You'll have a chance to meet and ask questions of corporate leaders from NxStage Medical. The odds are this will be the event of the year.
